

## ALL PORTABLE AND COMPACT INDUSTRIAL VACUUM

### X-VAC

A portable industrial vacuum machine that is designed to handle wet and dry materials, while being cost effective.

The powerful X-Vac can vacuum wood shavings, sand, gravel, leaves, compost, mud, sludge, glass and debris with a working distance of over 30 m (100 ft.).

The blower protection facilitates handling the dirtiest product.

Can Fill 0.14 m<sup>3</sup> (5 ft<sup>3</sup>) in the hopper within 3 minutes.

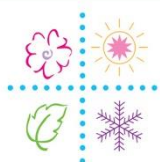

## BRIDGING THE GAP

### X-VAC - Key Features:

- ✓ Trailer Mounted unit with torsion axle suspension that can be easily towed on site.
- ✓ Honda 24 HP petrol engine with industrial grade muffler for less than 90 db noise level.
- ✓ Positive displacement blower with suction of 15" Hg and airflow of 850 cfm to vacuum from 30 m.
- ✓ Dual 5" inlets on either side of the tank which are reducible to 3" to 4" outlets.
- ✓ Impact-resistant steel holding tank that can accommodate 0.14m<sup>3</sup> (5 ft<sup>3</sup>) of material.
- ✓ Easy emptying into a wheelbarrow, trailer or skid loader.
- ✓ Cartridge filtration for blower protection.
- ✓ An optional "Leaf Barrel" to holds 0.28 m<sup>3</sup> of material for light fluffy products and products that tend to bridge-in at the once.
